Note: Comparable sales represents sales for a period compared to sales for the same period in the previous year for a given restaurant or restaurants. We begin tracking comparable sales once a restaurant has been open for a full year at the beginning of the period measured.

Beginning in 2011, Hawaii, Alaska and Canada are included in North America operations.

Note: Comparable sales represents sales for a period compared to sales for the same period in the previous year for a given restaurant or restaurants. We begin tracking comparable sales once a restaurant has been open for a full year at the beginning of the period measured. Comparable sales are reported on a constant dollar basis, which excludes the impact of foreign currency conversion.

Comparable sales above includes both Company-owned and franchised restaurants.
